Parents' Update - 12th September 2025

"I've always loved the first day of school better than the last day of school. Firsts are best because they are beginnings."

Jenny Han

What a wonderful start we have had to the term. The children (and adults) have been busy settling back into the school routine and the learning has well and truly begun. The classrooms are all looking lovely and the children have returned with a real positive and hard working attitude. Keep it up everyone!

On Tuesday we welcomed our new Year R children into school which has now made our school family complete. As a parent, I know exactly what it can be like preparing for the children to return to school after the summer holidays so I would like to say a thank you to all of you for the part you have played in ensuring the children have arrived at school on time and have been prepared for the school day.

On Wednesday we hosted our annual 'meet the teacher'. It was great to see so many of you coming into school to find out more about your child's class routines and curriculum offer. If you missed it, don't worry, we will send out the information that was shared for you to look at at home.

This week we had our first celebration assembly of the year. It is always a really special time of the week for our whole school community and it was great to see so many parents squeezing into Pine Class to help us to celebrate our children. Don't forget you are welcome to attend our celebration assembly every week 9am - 9.30am.

As you know we are a very busy school and as usual have lots of exciting things planned for the term ahead. I hope that our weekly update will support you every week to keep on top of the important dates and events that are coming up. As always, please contact the school office or class teachers directly for any clarification.

As the quote above suggests, the first few days of school are a new beginning, a start of a journey and I can't wait to see how much our children grow and achieve over this academic year.

Mrs Allen

Executive Headteacher

Breamore CE Primary, Hale Primary, and Hyde CE Primary Schools
