Respect, Grace and Courage

Parents' Update - 19th June 2026

"The time is always right to do what is right."

Martin Luther King Jr.

This week, our worship has encouraged children to think carefully about their choices and to have the courage to do what is right, even when it is difficult. We reflected on the story of Noah and the importance of independent thinking. Noah remained true to his beliefs despite the opinions of those around him, demonstrating resilience, courage and conviction. It is a powerful message for our children, to make decisions based on their values rather than simply following the crowd.

On Wednesday evening, we were delighted to welcome so many parents to our Autism workshop led by our Autism Ambassador, Mrs Fern Giles. Drawing on her experiences both as a mother and as a teacher, Mrs Giles shared valuable insights into living with autism and offered practical advice to support understanding and inclusion. Mrs Giles is hoping to repeat the workshop for parents at Hyde, with a date to be confirmed in due course.

June is Gypsy, Roma and Traveller History Month (GRTHM), a time to celebrate the rich histories, cultures and contributions of Gypsy, Roma and Traveller communities. As a federation, we are committed to helping our children develop curiosity, empathy and an appreciation of the diverse backgrounds that make up our society. These discussions provide opportunities to challenge stereotypes, celebrate differences and reinforce our school values of respect, courage and grace.

We are all very much looking forward to Sports Day on Wednesday, which is always a wonderful opportunity for our school community to come together and celebrate determination, teamwork and resilience. Whether running races, cheering on friends or simply taking part, Sports Day is a chance for every child to shine. We are keeping our fingers crossed for good weather and look forward to welcoming all our families to support the event.

Thank you to everyone who has already completed our homework survey. Your feedback is incredibly valuable as we review our current approach and consider future developments. If you have not yet had the opportunity to complete the survey, I would encourage you to do so.

As we move into another busy week, thank you for your continued support. Have a wonderful weekend.

Mrs Allen

Executive Headteacher

Breamore CE Primary, Hale Primary, and Hyde CE Primary Schools

Dates coming up - new dates underlined
