Respect, Grace and Courage

Parents' Update - 5th June 2026

"The greatest gifts you can give your children are the roots of responsibility and the wings of independence."

Denis Waitley

Welcome back to school for the final half term of the academic year! We hope everyone enjoyed a restful break and is feeling refreshed for what promises to be a busy and exciting few weeks ahead. This half term is always full of activity, with lots of learning opportunities, events, celebrations and preparations as we head towards the end of another successful year. We are looking forward to making the most of every moment together and thank you, as always, for your continued support.

Our Roots focus this half term is Independence. Across the school, we will be encouraging and celebrating those children who are showing increasing independence in their learning, friendships and everyday school life. Whether it is taking responsibility for their work, showing initiative or solving problems independently, we know these are important skills that help children grow in confidence. We look forward to recognising and celebrating the many ways our pupils demonstrate independence over the coming weeks.

This week in KS1, we had fun together during a project day at Breamore all about our senses. The children were able to explore their senses and think carefully about how we communicate with one another. Together, they considered what life might be like without some of our senses and reflected on how we can ensure that everyone feels included. This important learning encourages empathy and understanding about the different ways people experience and interact with the world around them.

This week, we were delighted to welcome the Local Authority into school for a writing moderation visit. The moderators were incredibly impressed with the quality of writing seen in our children's books, praising the creativity, precision and competence demonstrated throughout the work. It was wonderful to see the children's hard work and dedication recognised in this way. Well done, Year 6, we are incredibly proud of you!

We hope you all have a wonderful weekend, enjoy some time together with family and friends. We look forward to welcoming everyone back for another fantastic week of learning on Monday.

Mrs Allen

Executive Headteacher

Breamore CE Primary, Hale Primary, and Hyde CE Primary Schools
