Parents' Update - 11th September 2026

"I've always loved the first day of school better than the last day of school. Firsts are best because they are beginnings."

Jenny Han

What a wonderful start to the school year! It has been lovely to see how well the children have settled back into school and into their learning. There has been such a positive atmosphere across the school, with children quickly getting back into routines and showing enthusiasm for all that the new school year has to offer.

In our worship this week, we have been thinking about boundaries. We listened to the story of Nehemiah and how he set about rebuilding the wall around Jerusalem. Nehemiah knew that building the wall was the right thing to do, and even when others tried to discourage him, he kept going. We thought about how boundaries can help to keep us safe and help us to make good choices. We also talked about how sometimes saying "no" can be a good thing, especially when something doesn't feel right or when we need to make a positive choice for ourselves or others.

Our Roots focus this half term is 'Boundaries'. Throughout the half term, the adults in school will be looking out for children who are demonstrating that they understand and maintain good boundaries and are following our school rules. Each day, we will celebrate a child who has shown this particularly well by awarding them our Boundaries Badge to wear for the day.

A huge thank you to all the parents and carers who came into school on Wednesday for our Meet the Teacher event. It was lovely to see so many of you and to have the opportunity to share information about the children's learning and how you can support them at home.

We would like to give a very warm welcome to Miss Beckett, who has joined our Hyde school team. We know that she will be a wonderful addition to Willow Class and we are looking forward to all that she will bring to our school community.

Finally, a very special welcome to our new Year R children! They have made such a fantastic start to school life and have settled into our school family beautifully, it honestly feels as though they have always been here.

Have a wonderful weekend and we all look forward to seeing you on Monday.

Mrs Allen

Executive Headteacher

Breamore CE Primary, Hale Primary, and Hyde CE Primary Schools
